PREPARE FOR WINTER.

Strengthen the Stomach With Mi-o-na Tablets and Keep Well-Guaranteed By Hooper Drug Co.

If you have the least symptom of indigestion or stomach troubles, make haste to get rid of it now.

The hearty food and indoor life of Winter will put a burden up on that poor old stomach which may weaken it beyond help.

Mi-o-na tablets are an unusual combination of valuable medicinal agents that soothe and heal the irritated mucous membrane of the stomach, stimulate the solar plexus, and strengthen the whole nervous system. If you have headaches, dizziness, indigestion, heartburn, specks before the eyes, sleeplessness, backache, and debility or weakness, it shows that you need Mi-o-na.

Ask Hooper Drug Co. to show you the guarantee they give with each 50 cent box of this remedy. Mi-o-na costs nothing unless it cures.
